PRODUCT CERTIFICATION

CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by authorities having jurisdiction.

Effective Date: March 2006 -Rev. 7/13/2006- Void After: March 2007

Product: Plumbing Fixtures (Non-Vitreous China) File No. 4251

Issued To: Eczacibasi Yapi Gerecleri San. Ve Tic. A. S.
Yanus Tren Istasyonu Yani
Kartal, Istanbul 81412 Turkey

IDENTIFICATION: Each fixture or fixture component shall be marked with the manufacturer's name or registered trademark. This mark shall be legible, readily identified, and applied so as to be permanent. The mark shall be located so as to be visible after the fixture is installed, except for fixtures built into or for a counter or cabinet. The product shall also bear the cUPC® certification mark.

CHARACTERISTICS: Non-Vitreous ceramic or glass plumbing fixtures, including fixtures containing components of other recognized materials. Fixtures may include gravity flush tanks and tank covers, lavatories, urinals, bidets, sinks, bathtubs, shower receptors and drinking fountains. To be installed in accordance with the manufacturer's instructions and the latest edition of the Uniform Plumbing Code.

Products comply with the applicable sections of the latest edition of the Uniform Plumbing Code.

Manufactured in compliance with ASME A112.19.9M-91 (RA 2002) and CSA B45-02.

Note: Models listed to Canadian requirements shall bear the cUPC® Certification mark. Models listed in compliance with CSA B45 shall be preceded by a "c".

This listing is for the period indicated herein and is void after the date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Research Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Reproduction of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc.

Any alteration of this certificate could be grounds for revocation of the listing.
